

Downloading iTunes

Subject Descriptors: download iTunes

Application (Version): iTunes 8 Windows XP, Windows Vista, Mac OSX

Task Description: How do I download iTunes? Download iTunes for free.

Tutorial Date: 12 May 2009, by Tim Holmes

Locating The Downloads Button

iTunes is free and only takes a few minutes to download.

Open a web browser and type: "www.apple.com"

Now, Locate the "**Downloads**" icon as shown above.

Locating The iTunes Download

Next, we need to locate the "**Download**" link. (This is show above.)

Now click on the link to proceed to the next page.

Download iTunes 7.4 now

 Windows XP or Vista

Email me [New Music Tuesday](#) and special iTunes offers.

Keep me up to date with Apple news, software updates, and the latest information on products and services.

Email Address

3 Download iTunes Free 

Here is where we will actually download the application.

- 1) You can either check or uncheck these options according to your preferences.
- 2) Here is where you type the email address of where you want the options made in "1)" to be sent.
- 3) Now you are ready to click the "**Download Now**" button.

Run Installation

Next, you will get a screen similar to the one shown above.
Select the "**Run**" button.

Complete The Setup

After the download completes, select the "**Run**" button again.
And following the onscreen installation instructions.
Then, follow the brief onscreen setup assistant.
