To zoom in or out of the photo, click and drag the "Edit Mask" slider left (zoom out) or right (zoom in).

Select "Add Page"
Select a page that you want to create.

Double click on the page that you would like to create.
Germany

Here are some great photos that I took in different parts of Germany.
Links are automatically added to the top of each page to provide quick access to all your pages.

**How to change a link’s name**

Double click on the name in the side bar; then type a new name and press "Return" on your keyboard.

**How to publish your web site on Doc Mac**

Select "Publish Site"

**After the upload is complete.**

After the upload is complete you can:

- Visit the site by clicking on "Visit Site Now"
- Make an announcement to your friends and family by clicking on "Announce"
- Click "OK" to exit.
