How to burn your project onto a DVD

Subject Descriptors: iDVD, Burn DVD, Burn Project, DVD Outline, DVD Map.
Application (Version): iDVD
**Task Description:** How do I burn my project onto a DVD?
Tutorial Date: 2 June 2009, by Arnousone Chanthalyxay
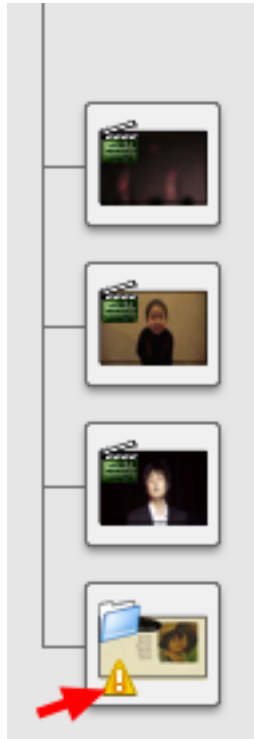

Preview your DVD outline.

Select "Show The DVD Map"

Zoom

- Move the slider **left** to zoom out.
- Move the slider **right** to zoom in.

Look for any warning signs.

- If you point to the warning sign it will identify the problem. This error is caused because there is no buttons in the submenu.
- Double click on the image with the warning sign.

Fix the problem.

Fix the problem by clicking and dragging a meadia file into the submenu.

Preview your project.

You can preview your project by clicking on the "Play" icon.

Exit

To exit the preview, select "Exit"

Burn the project to a DVD.

To burn the project to a DVD, insert a blank disc and then select "Burn this iDVD project to a disc"
